

SCUG MONTHLY MEETING

DATE: 04/11/26

Open Meeting: by Neal

Question and answers: 1) Adblock+ (free)-app/extension on browser that monitors ads that block ads before confronted by use of filters, doesn't work on all sites; 2) Block emails- unsubscribing doesn't work well, same with phone when you answer call/email; 3) Don't delete emails, move to spam/junk, over time unacceptable emails should be learned, can have all emails except from contacts go to junk; 4) When buying/changing/replacing a phone, maintain the same phone number to facilitate the change.

Treasurer's report: Presented by Joe1 and approved.

Old business N/A

New business: 1) Windows laptops/tablets for sale by club, \$40-\$50, see Neal for more information and to view; 2) Board meeting at Angelo's-Sterling, 04/15/26, at 5:00 pm.

Adjournment: Motion made and seconded.

Program: Passkey- Possible Replacement for Passwords by John Miller- Used to sign into network, more secure, eliminates problems with passwords, password not as strong as biometrics, Apple and Android phones have password managers, passkey uses cryptographic key pairs- private key and public key, can still login with a password.

See John's PowerPoint presentation on SCUG website.

Next month's program: Neal to show videos expanding on passkey information presented by John.
